## Meeting Minutes February 4, 2019

The Mayor and Board of Commissioners of the City of Sweetwater met in their regular monthly meeting on Monday, February 4, 2019 at 5 p.m. at City Hall. Mayor Lowe called the meeting to order with Commissioners present being: Lamar Hughes, Sam Moser, Edward Lee, Billy G. West, and Bill W. Stockton. City Attorney John Cleveland was present.

Commissioner Moser moved to approve the minutes from the monthly meeting of January 7, 2019 and the workshop of January 28, 2019. Commissioner Hughes seconded the motion. All voted in favor, with none opposed. The motion was carried.

After the Recorder's Report, Commissioner West moved to approve the distributions for the month of January, 2019. Commissioner Moser seconded the motion. All voted in favor, with none opposed. The motion was carried.

Mayor Lowe opened the floor to the owners of local hotels and bed and breakfasts concerning the ordinance. Kevin from the Rodeway Inn asked the board give another month before voting so that they could speak with their hotel lobbying association, who was scheduled to speak with the state about repealing hotel tax this week. Commissioner Hughes moved to table the ordinance to next month to give the hotel owners more time to consult. Commissioner Stockton asked if the ordinance could be tabled. City Attorney John Cleveland advised some action must be taken or the ordinance would fail, and that tabling the motion was an action that could be taken. Commissioner Moser seconded the motion. Commissioner West said he would like to see the motion placed back on the table so the board could vote tonight. The Recorder noted that since Sweetwater was a home rule city, the association's effort may not affect them, as the state legislature was not required to authorize the hotel tax for Sweetwater. Commissioner West agreed and noted there was no guarantee any legislation would pass by the state. Mayor Lowe called for a Roll Call Vote on the motion to table to next month. Upon Roll Call Vote, the Ayes were as follows: Commissioners Hughes and Moser. Nays being Commissioners Lee, West, and Stockton. The motion failed. Air Bed and Breakfast owner Sandi Kile stated she would like to see copies of ordinances at the meetings or they be read aloud. Sandi stated she was the only bed and breakfast owner in the city. The Recorder advised she would send 11 notices to the 7 hotels and 4 existing or planned lodging establishments, some of whom had already spoken to Planning Commission or the Main Street group about their plans. Ms. Kile was also concerned about the privacy of her register, as the ordinance says city officials can inspect the register. The Recorder advised the ordinance used the same model as neighboring communities and had been reviewed by MTAS and the City Attorney. The City Attorney advised there were no privacy laws that he knew of that this ordinance as drafted would violate. He noted that you're not required to provide the information to anyone other than the city officials who are designated by the ordinance. Commissioner Hughes moved to remove the Ordinance No. 969 from the table and place on the agenda for action. Commissioner Lee seconded the motion. All voted in favor, with none opposed. The

motion was carried. Commissioner West moved to amend Ordinance No. 969 by changing the percentage to 2.25% and the wording changes recommended by John Cleveland and MTAS in the current draft. Commissioner Lee seconded the motion. All voted in favor, with none opposed. The motion was carried.

Upon Roll Call Vote, to adopt Ordinance No. 969 to levy a privilege tax upon the occupancy in any hotel or any plan in which rooms, short-term rental units, bed and breakfasts, lodgings or accommodations are furnished to transients for a consideration as amended on second and final reading, the ayes were as follows: Commissioners Hughes, Moser, Lee, West, and Stockton. Nays being none. The motion was carried.

In New business, Tania Rich presented the annual library report. She noted multiple building maintenance including ADA upgrades at the library in coordination with the city. She noted the library had 39,874 visitors in 2018, despite being closed for maintenance for 19 full days and 29 partial days. Commissioner Stockton thanked Tania for her good work and questioned what the library was doing to ensure the library's survival. Tania noted the library needed to adapt in order to survive and it involved incorporating technology and hands on activities.

Commissioner Moser moved to approve a Resolution to approve the Capital Improvement Plan FY ending 2020-2024. Commissioner Hughes seconded the motion. All voted in favor, with none opposed. The motion was carried.
