The Mayor and Board of Commissioners of the City of Sweetwater met in their regular monthly workshop session on Monday, August 28, 2017 at 5:00 p.m. at City Hall.

Mayor Lowe called the workshop to order. He introduced David Conrad, David Ezell, and the 7/8 year-old Sweetwater Allstar team, who placed 2nd in the State Dixie Youth tournament and went to the Dixie Youth World Series, bringing home the sportsmanship trophy which would be displayed at City Hall. They thanked Parks Director Tim Crawford and his staff as well as the city for financial support, use and maintenance of the fields, and hosting the state tournament this year. Each player received their trophies and had a photo with the Mayor and Board of Commissioners. Commissioner West requested the board give the team a standing ovation.

Mayor Lowe moved into the workshop discussion. The board voiced no objection to authorizing the Mayor to discuss the property behind Hunt Commons with the trust who owns it. He would bring a proposal back to the board.

City Recorder Jessica Morgan shared the numerous letters, emails, and messages received from guests that attended the Eclipse event. Not one complaint had been received. There were no accidents or emergencies at the festival. The Recorder thanked all departments for the planning and execution and called the Eclipse an amazing experience. A more detailed financial review would be presented at a later time.

Commissioner Stockton reminded the board of the joint Utility Board meeting on September 14, 2017 at 6 pm at Springbrook Country Club.
